Christian-Albrechts-Universität zu Kiel

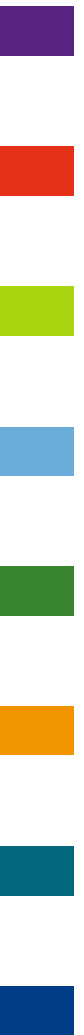

2018

GENED

German Network for New Economic Dynamics

Program of the 6th Annual Meeting

October 9th – 11th, 2018

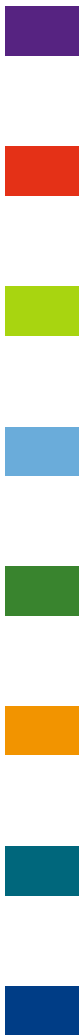

Program
 Tuesday,
 9th October 2018

Mini-Course on Networks Models in Finance

08:45	Welcome & Coffee
09:00 – 10:30	Prof. Giulia Iori , City University of London Markets, networks and location advantages Lecture 1: empirical studies of networked markets
Coffee Break	
11:00 – 12:30	Prof. Giulia Iori , City University of London Markets, networks and location advantages Lecture 2: computational studies of networked markets
Lunch	
14:00 – 15:30	Prof. Giulia Iori , City University of London Markets, networks and location advantages Lecture 3: computational studies of networked markets
Coffee break	
16:00 – 18:00	Prof. Giulia Iori , City University of London Markets, networks and location advantages Lecture 4: experimental studies of networked markets

Program
 Wednesday,
 10th October 2018

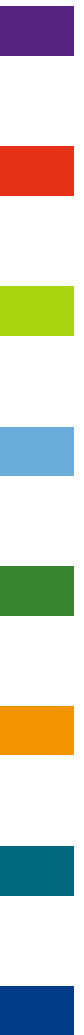

09:00 – 11:00	Presentations (Session 1: Business Cycles) Session chair: Thomas Lux
	<p>Reiner Franke, University of Bremen Different Compositions of Aggregate Sentiment and Their Impact on Macroeconomic Stability</p> <p>Roberta Terranova, University of Bielefeld Endogenous Beliefs</p> <p>Naira Kotb, University of Bamberg Animal Spirits in a NKM with Financial Intermediation and a Stock Market</p> <p>Jens Hertha, University of Bamberg Business Cycles Heterogeneous Expectations and the Yield Curve</p>
Coffee Break	
11:30 – 12:30	Presentations (Session 2: Large-Scale Agent-Based Models) Session chair: Duc Thi Luu
	<p>Tom Bauermann, Ruhr University Bochum ACE Policy Experiments</p> <p>Dirk Kohlweyer, University of Bielefeld Integrating Forced Migrants in a Union of Diverging Regions: A Policy Assessment</p>
Lunch	

Program
 Wednesday,
 10th October 2018

14:00 – 16:00	<p>Presentations (Session 3: Asset Pricing) Session chair: Reiner Franke</p> <p>Ivonne Blaurock, University of Bamberg Modeling and estimating behavioral heterogeneity in financial markets</p> <p>Leonardo Bargigli, University of Florence, Italy A Foreign Exchange Model of Dealership with Heterogeneous Speculators</p> <p>Ole Wilms, Tilburg University, Netherlands Asset Pricing with Heterogeneous Agents and Long-Run Risk</p> <p>Carolyn Martin, University of Bamberg Regulating speculative housing markets via public housing construction programs</p>
Coffee Break	
16:30 – 17:30	<p>Presentations (Sessions 4: Social Opinion Dynamics) Session chair: Ole Wilms</p> <p>Mariam Nanumyan, University of Bielefeld Effort Choice in a Stag-Hunt Game with Social Influence Dynamics</p> <p>Théo Konc, Universitat Autònoma de Barcelona, Spain Diffusion with social reinforcement: The case of a scale free network</p>

08:30 – 10:30	<p>Presentations (Session 5: Innovation, Labor and Profit) Session chair: Herbert Dawid</p>
	<p>Ivan Savin, Karlsruhe Institute of Technology (KIT) Dynamics of innovation in the robotic industry</p> <p>Matthias Müller, University of Hohenheim An agent-based model of knowledge recombination and technological evolution</p> <p>Mariya Valeriy Mitkova, University of Bielefeld Professional Careers, Promotions and Organizational Hierarchies in a Frictional Labour Market</p> <p>Christian Babirat, University of Bamberg The Myth of Corporate Individualism: Common Profitability Dynamics Around the World</p>
Coffee Break	
10:30 – 11:00	<p>Poster (Session 6)</p>
	<p>Souhir Masmoudi, Jean Monnet University, France Networks and imitations in an agent based asset market</p> <p>Pedro Romero, Universidad San Francisco de Quito, Ecuador Ideas networks and development</p> <p>Kerstin Hötte, University of Bielefeld An agent-based macroeconomic approach on technology diffusion</p> <p>Torsten Trimborn, RWTH Aachen SABCEMM- A Simulator for Agent-Based Computational Economic Market Models</p>

Program
 Thursday,
 11th October 2018

11:00 – 12:30	<p>Presentations (Session 7: Aggregate Fluctuations) Session chair: Lutz Honvehlmann</p> <p>Kristina Barauskaite, ISM University of Management and Economics, Lithuania Network-Based Channel of Aggregate TFP Shocks</p> <p>Alexander Hempfing, University of Bamberg An Industry Perspective on Aggregate Fluctuations in Europe</p> <p>Phillipp Mundt, University of Bamberg The formation of the Japanese production network</p>
Lunch	
13:30 – 14:30	<p>Presentations (Session 8: Interbank Networks) Session chair: Boyan Yanovski</p> <p>Pelin Sumer, Bilkent University, Turkey Do Banking Groups Shape Network Structure Evidence from Turkish Interbank Market</p> <p>Lutz Honvehlmann, University of Kiel Statistical reconstruction of interbank networks</p>

List of participants and presenters

Babirat, Christian	University of Bamberg
Barauskaite, Kristina	ISM University of Management and Economics, Lithuania
Bargigli, Leonardo	University of Florence, Italy
Bauermann, Tom	Ruhr University Bochum
Becker, Finn	University of Kiel
Blaurock, Ivonne	University of Bamberg
Brenneisen, Jan-Niklas	University of Kiel
Dawid, Herbert	University of Bielefeld
Franke, Reiner	University of Bremen
Hempfung, Alexander	University of Bamberg
Hepp, Jasper	University of Bielefeld
Hertha, Jens	University of Bamberg
Inoue, Hiroyasu	University of Hyogo
Honvehlmann, Lutz	University of Kiel
Hötte, Kerstin	University of Bielefeld
Iori, Giulia	City University of London
Kohlweyer, Dirk	University of Bielefeld
Konc, Théo	Universitat Autònoma de Barcelona, Spain
Kotb, Naira	University of Bamberg
Luu, Duc Thi	University of Kiel
Lux, Thomas	University of Kiel

List of participants and presenters

Martin, Carolin	University of Bamberg
Masmoudi, Souhir	Jean Monnet University, France
Mishael Milakovic	University of Bamberg
Mitkova, Mariya Valeriy	University of Bielefeld
Müller, Matthias	University of Hohenheim
Mundt , Phillipp	University of Bamberg
Nanumyan, Mariam	University of Bielefeld
Proaño, Christian	University of Bamberg
Reissl, Severin	University of Bielefeld
Romero, Pedro	Universidad San Francisco de Quito, Ecuador
Savin, Ivan	Karlsruhe Institute of Technology (KIT)
Schaff, Frederik	Ruhr University Bochum
Schmitt, Noemi	University of Bamberg
Schreiber, Sven	IMK, Hans-Böckler-Stiftung
Seemann, Kay	University of Kiel
Sumer, Pelin	Bilkent University, Turkey
Terranova, Roberta	University of Bielefeld
Trimborn, Torsten	RWTH Aachen
van der Hoog, Sander	University of Bielefeld
Wilms, Ole	Tilburg University, Netherlands
Yanovski, Boyan	University of Kiel

The university can be easily reached by public transport.

From Hamburg Airport:

We recommend the Kielius (Shuttle Bus-Transport), which departs every hour from HH-Airport to the Kiel Central Station. With Kombi-Ticket (available in the bus) the driver of the Kielius will call a taxi which will then wait for you at the Kiel Central Station to bring you to your wished destination.

Kielius timetable:

https://www.bahn.de/autokraft/view/mdb/autokraft/fahrplaene_2015/mdb_181663_4550_beide_planb.pdf

Unfortunately the timetable is available in German only, don't hesitate to ask in case you have any questions concerning the transport.

From the central station:

Bus 50 (direction: Botanischer Garten)

Bus 61 (direction: Suchsdorf, Rungholtplatz)

Bus 62 (direction: Projensdorf, Woltersweg)

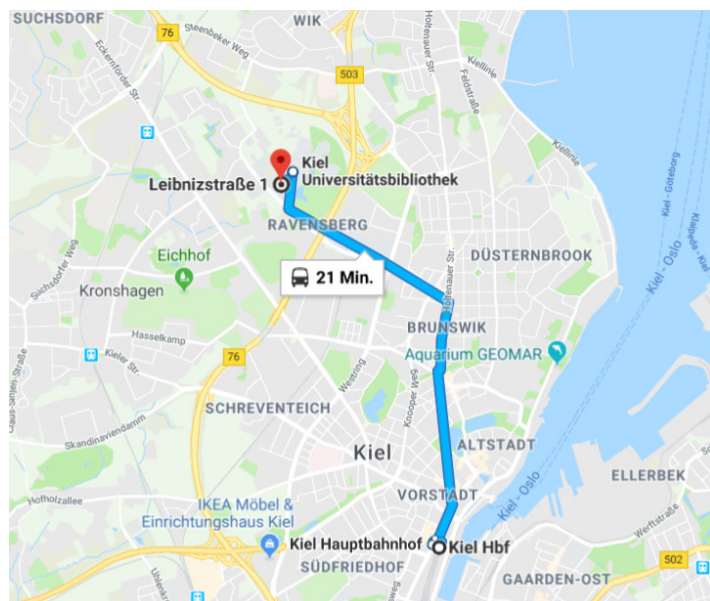

Bus 81 (direction: Botanischer Garten)

Bus 91 (direction: Friedrichsort, Falckensteiner Str.)

➔ closest stations: **Leibnizstraße** or **Universitätsbibliothek**

You can find the campus plan on the following webpage:

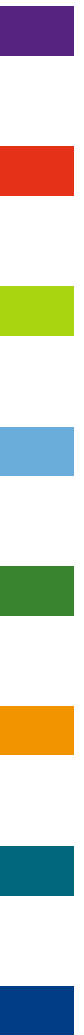

<https://www.uni-kiel.de/en/university/building-sites-campus-development/maps-directions/>

Tips and hints for your stay

<u>Hotel</u>	<u>distance</u>
Atlantic Hotel Kiel	3,2km
Basic Hotel City	2,1km
B&B Hotel Kiel- Wissenschaftspark	1 km
Best Western Hotel Kiel	3,8km
Hotel Berliner Hof	3,1km
Hotel Birke	5,0km
Hotel Consul Kiel	2,7km
Hotel Kieler Yacht Club	2,7km
Hotel Wiking	2,4km
InterCityHotel Kiel	3,3km
MARITIM Hotel Bellevue Kiel	2,3km
Nordic Hotel Astor	2,7km
Romanik Hotel Kieler Kaufmann	2,1km
Steigenberger Conti Hansa	2,4 km
