

**Program of GENED Meeting
at Technische Universität Darmstadt
29th and 30th of September 2014**

Monday, 29th of September 2014

Location: Georg-Christoph-Lichtenberg-Haus, Dieburger Straße 241, Darmstadt

(Zum Georg-Christoph-Lichtenberg-Haus können Sie ab **Hauptbahnhof** die Bus-Linie F bis zur Haltestelle „**Fasanerie**“ benutzen. Die Haltestelle ist direkt vor dem Haus.)

(For Georg-Christoph-Lichtenberg-House, you can use the bus-line F to stop "Fasanerie" from the main station. The bus stop is right outside the house.)

9:00 – 9:15	Welcome
9:15 – 9:45	Klabunde, Anna Max Planck Institute for Demographic Research, Rostock “An equilibrium concept for agent-based models: Automatic detection of statistical periodic equilibria”
9:45 – 10:15	Schaff, Frederik FernUniversität Hagen “Time and Ignorance: A simple microeconomic bakery model”
10:15 – 10:45	Akyol, Metin Technische Universität Darmstadt “ A Tradable Employment Quota“
10:45 – 11:15	Coffee break
11:15 – 11:45	Riedler, Jesper Zentrum für Europäische Wirtschaftsforschung GmbH (ZEW), Mannheim “Towards a Microfounded Agent-based Macroeconomic Model”
11:45 – 12:15	Böhl, Gregor Universität Bielefeld “The ETACE Virtual Appliance. A Software Suite for Large-scale Agent-based Computational Economic Modelling”
12:15 – 12:45	Johannes Tiwisina Universität Bielefeld “An ACE approach to the constructed capital model“
12:45 – 14:00	Lunch and GENED coordinator meeting

- 14:00 – 14:30 Westerhoff, Frank
 Otto-Friedrich-Universität Bamberg
 „Intensity of choice versus profit taxes: a measure against rational routes to
 randomness?“
- 14:30 – 15:00 Winker, Peter
 Justus-Liebig-Universität Gießen
 “Complexity and Model Selection in Agent Based Modeling of Financial Markets”
- 15:00 – 15:30 Mandes, Alexandru
 Justus-Liebig-Universität Gießen
 „Order placement within an Intraday Agent Based Model”
- 15:30 – 16:15 Coffee break
- 16:15 – 17:45 1. Lecture by Alan Kirman on Agent-based Computational Economics
 Aix-Marseille Université, GREQAM
- 19:00 – open end Dinner

Tuesday 30th of September 2014

Location: Seminarraum S105/23 TU Darmstadt, Maschinenhaus, Magdalenenstraße 12

(Zur TU Darmstadt können Sie ab **Hauptbahnhof** die Bus-Linien H und K, die Straßenbahn-
